

---

# Annual Summary 2016/17

---

## **5 Litters**

40 piglets have been born to date – These are sold on to provide cash to purchase animal feed.

## **6 UK Schools**

70 young people worked on buildings, houses, polytunnels, chicken coops and experienced life for those living in abject poverty.

## **Bigger Poly-tunnel built**

Our biggest ever polytunnel build to date is a massive 52 metres. This enables more stock to be grown, thereby feeding more children overall.

## **Worked on a Court Case for 2 years**

We won the case for grandparents to take on their two grandchildren after the parents abandoned them to live in another country.

## **Giving back an Education**

2 Indian children, abandoned at birth, celebrated by graduating to university – a reality rather than a dream.

## **Child Sponsorship**

245 children are now being reached through the programme in all 6 countries of operation. This means that they are benefiting from the very basic human right that everyone should have. Food, clothing and education.

## **Christmas Celebrations**

More than 500 children were gifted their very own Christmas gift – helping them to celebrate the festivities much like their neighbours around them.

## **31 Family Partnerships begin**

31 Family partnerships means that more than 130 people are benefiting from training programmes, regular meetings with case workers, meeting their immediate necessary needs and generally showing them that someone cares.

## **1 Community Mill built**

A major achievement complete with Milling/Grinding machine enough to support a whole community to provide regular fine baking flour, feed for animals and a general wheat based produce for aiding basic cooking.

## **1 Haybarn built**

A complete roofed haybarn giving much needed storage space for the animals bedding to ensure during the cold winter months they are kept warm and well in order to multiple during the spring months.

## **24 Individual Temporary IDS were created**

Having this important document allows many to access a doctor/school and other governmental requirements.

## **We worked on 45 Court Cases**

Being the voice for those unable to speak for themselves.

## **30 Full Birth Certificates**

Given for young children and adults alike their full named identities.

## **1968 Food Parcels distributed**

To those who often need to beg for their next meal.

## **37,939 Hot Meals provided**

Providing meals to all the children throughout all projects in all 6 countries. This ensures the child is not only fed spiritually, but meets their very basic need.

## **Helped support 4 Couples to Legally Marry**

Providing the legal support, necessary documentation, paying for all wedding costs i.e. registrars etc, to give those the right to legally marry their partners.
